PROFESSIONAL PROFILE

Senior Partner & Channel Manager

Senior channel, distribution, and partner management professional with over 25 years of experience driving revenue, go-to-market strategies, and ecosystem growth across the Nordic IT, Cloud, and Cybersecurity sectors. Proven track record from global IT distribution (Westcon-Comstor) and specialized IT service providers (Avoki), with deep expertise in managing tier-2 partner networks, distributor operating models, and joint business execution. Thrives in fast-paced, high-growth environments with a proven ability to lead strategic distributor relationships, drive Distribution Managed Partner (DMP) growth, and orchestrate high-impact channel campaigns. Highly skilled at aligning executive stakeholders, conducting QBRs, and translating technical cybersecurity solutions into measurable commercial outcomes across Sweden, Norway, Denmark, and Finland.

CORE COMPETENCIES & EXPERTISE

- **Distribution & Channel Management:** End-to-end management of major Nordic IT distributors and reseller networks, optimizing operational excellence and program execution.
- **DMP & Partner Growth:** Designing and executing tailored business plans to drive revenue, pipeline visibility, and market share within partner segments.
- **Commercial Strategy & Execution:** Full-cycle account leadership, joint go-to-market planning, marketing campaigns, and executive QBR reviews.
- **Cybersecurity & Cloud Solutions:** Deep understanding of enterprise IT security frameworks, cloud services, and complex indirect sales ecosystems.
- **Stakeholder Alignment:** Orchestrating collaboration across cross-functional sales, technical, and executive teams to accelerate regional performance. **Languages:** Swedish (Native), English (Full Professional Proficiency), Polish (Basic).

WORK EXPERIENCE

Founder & Senior Sales Consultant | Nordic Adwahnstage Handel & IT AB

2026 – Present

Independent consultancy delivering strategic B2B sales development, channel execution, and GTM strategy.

- **Consultative B2B Sales & Business Development:** Acting as an external sales consultant (e.g., Green Cloud Solutions), driving targeted outreach, client engagement, and pipeline creation across enterprise IT and cloud solutions.
- **Go-To-Market Strategy:** Architected service delivery frameworks and commercial concepts to bridge complex technical solutions with market needs.
- **Autonomous Execution & Client Management:** Managing end-to-end client relationships, contract negotiations, and business operations with full flexibility and ownership.

Business Development Manager | Westcon-Comstor

2024 – 2026

Westcon-Comstor is a global distributor of IT security, networking, and collaboration solutions.

- **Nordic Distribution & Channel Growth:** Drove partner pipeline development and deal execution across the Nordic reseller and distributor ecosystem for enterprise IT security and networking architectures.
- **Cross-Functional Alignment & Escalations:** Acted as the primary escalation point for critical partner, reseller, and vendor issues, aligning cross-functional teams to unblock complex sales opportunities.
- **Partner Enablement & Commercial Structuring:** Guided resellers through complex sales cycles, aligning technical offerings with tailored solution financing and commercial models to accelerate deal closure.

Partner Development Manager | Epson

2020 – 2024

Epson is a global leader in professional display and projection technology.

- **End-to-End Channel Management:** Owned end-to-end partner relationships and joint GTM execution across Sweden, driving B2B sales growth within target segments.
- **Executive Relationship Building:** Built trusted relationships from executive sponsors to sales teams, negotiating complex commercial contracts and joint solution agreements.
- **Go-To-Market Execution:** Planned and executed joint marketing campaigns, partner training, and pipeline reviews to ensure target achievement.

Key Account Manager | Avoki

2002 – 2020

Avoki delivers tailored IT, cloud, and managed security services.

- **Account & Pipeline Management:** Managed primary key accounts, driving long-term retention and expansion of IT infrastructure, cloud, and security solutions.
- **Solution Financing & Deal Structuring:** Facilitated hardware and software solution financing via major credit and leasing partners to streamline procurement for end customers.
- **Customer Escalation Lead:** Managed high-priority touchpoints and critical service escalations, maintaining high levels of trust and operational clarity.

PROFESSIONAL CERTIFICATIONS & TECHNICAL FOUNDATIONS

- **Certifications:** Proofpoint Accredited Channel Sales Professional | Extreme Networks Associate
- **Enterprise Networking & Cloud Tech Foundations:** Palo Alto Networks (Firewall, SASE, Cloud, XDR) | F5 | Infoblox | Zscaler | Vectra
