PROFESSIONAL PROFILE

Senior Partner & Channel Manager with over 25 years of experience driving pipeline, revenue, and ecosystem growth across the Nordic IT, Cloud, and Security sectors. Proven track record from global IT distribution (Westcon-Comstor) and IT service providers (Avoki), bridging complex digital infrastructure, networking, and cybersecurity solutions with real commercial value.

Thrives in autonomous, dynamic environments with a proven ability to build partner go-to-market strategies, navigate ambiguity, and drive joint execution without relying on fixed playbooks. Highly skilled at aligning executive sponsors, enabling partner sales teams, and managing cross-functional stakeholders. Combines deep channel expertise with modern, data-driven, and AI-assisted workflows to accelerate deal execution and scale business opportunities.

CORE COMPETENCIES

- **Partner & Channel Ecosystem Development (Nordics):** Building and scaling strategic GTM relationships across resellers, service providers, and technology partners.
- **Pipeline Generation & Joint Funnel Execution:** Driving end-to-end deal registration, opportunity tracking, and revenue growth.
- **Cloud, Network & IT Infrastructure:** Deep foundational knowledge across enterprise cloud, networking, and cybersecurity ecosystems.
- **Go-To-Market (GTM) & Business Planning:** Developing joint sales targets, co-marketing alignment, and QBR execution.
- **Cross-Functional & Stakeholder Alignment:** Connecting strategy to execution across Sales, Engineering, Operations, and Executive teams.
- **Escalation & High-Friction Management:** Resolving critical partner/customer blockers, contract negotiations, and commercial alignment.
- **Languages:** Swedish (Native), English (Full Professional Proficiency), Polish (Basic).

WORK EXPERIENCE

Business Development Manager | Westcon-Comstor 2024 – 2026

Westcon-Comstor is a global distributor of IT security, networking, and collaboration solutions.

- **Joint Pipeline & Channel Growth:** Drove partner pipeline development and deal execution across the Nordic reseller ecosystem for enterprise IT security and networking architectures.
- **Cross-Functional Alignment & Escalations:** Acted as the primary escalation point for critical partner, reseller, and vendor issues, aligning cross-functional teams to unblock complex sales opportunities.
- **Partner Enablement & Commercial Structuring:** Guided resellers through complex sales cycles, aligning technical offerings with tailored solution financing and commercial models to accelerate deal closure.

Partner Development Manager | Epson 2020 – 2024

Epson is a global leader in professional display and projection technology.

- **End-to-End Channel Management:** Owned end-to-end partner relationships and joint GTM execution across Sweden, driving B2B sales growth within target segments.
- **Executive Relationship Building:** Built trusted relationships from executive sponsors to sales teams, negotiating complex commercial contracts and joint solution agreements.
- **Go-To-Market Execution:** Planned and executed joint marketing campaigns, partner training, and pipeline reviews to ensure target achievement.

Key Account Manager | Avoki 2002 – 2020

Avoki delivers tailored IT, cloud, and managed security services.

- **Account & Pipeline Management:** Managed primary key accounts, driving long-term retention and expansion of IT infrastructure, cloud, and security solutions.
- **Solution Financing & Deal Structuring:** Facilitated hardware and software solution financing via major credit and leasing partners to streamline procurement for end customers.
- **Customer Escalation Lead:** Managed high-priority touchpoints and critical service escalations, maintaining high levels of trust and operational clarity. **Certifications:** Proofpoint Accredited Channel Sales Professional | Extreme Networks Associate
